

Sir8 Easy Hike

Walnut Creek Open Space, Shell Ridge, West Side – Easy Hike, April 13, 2021

Meet at Marshall Drive trailhead, 10:00. A short, mostly rolling 3-mile hike around the west end of Shell Ridge, with approximately 480 feet of elevation gain. We hike the Briones-Mt. Diablo Trail, the Fossil Hill Loop Trail, and Corral Springs Trail, all of which are wide with mostly good surfaces.

Bring water and sun protection – there's no shade on the trails. Hiking poles may be useful for certain areas. Unfortunately, there are no bathrooms or porta potties anywhere in this area.

From CA Route 24, exit to Ygnacio Valley Road, heading east. Turn right on Homestead Avenue (heading south) and then take the first left onto Marshall Drive. Drive to the end of the road. Parking is along Marshall Drive at the trailhead.

Ride Sharing – not at this time (may change by April)

Lunch post hike – not at this time (may change)
