

2019 SIR BRANCH 8, NINE HOLE GOLF GROUP ANNUAL TOURNAMENT

It was a beautiful morning as 19 golfers teed off at 9:00 at Diablo Hills Golf Course. Our golfers turned out in a timely manner ... unfortunately a couple of golfers were no-shows due to various reasons.

All the foursomes went out in a timely manner and the average playing time per group clocked in at a little over 2 hours.

After playing everyone congregated in the dining room at the Greenery Restaurant for a beverage/bite and to await the score calculations by our Phil Philpot.

After calculating, checking and rechecking the results were as follows:

Longest Drive hole #2: Ray de Wit estimated at 200 yards.

Closest to hole #4, Tom Kerns, 4". which he did convert into a birdie.

Low Gross: Tom Kerns, 39.

Low Net: Dave Perkins, 36.

Fewest Number of Putts: Dave Perkins, 13.

Congratulations to all the winner !!!

We look forward to repeating this tournament again in 2020 and having even a bigger turnout.
