

January 11, 2022 - Easy Hike: Nimitz Way Tilden Regional Park

Hike Description: This is a long walk in Tilden Regional Park on a relatively level and gently sloped paved trail with spectacular views of San Francisco, Marin, and, in the other direction, Mt. Diablo. The walk is going to be out-and-back on Nimitz Way. We could go outbound 2 miles, then return same trail to make 4 miles total with about 100 ft elevation gain. We could shorten or lengthen the hike as we hike. We will start the hike at **10:00 AM** from Inspiration Point Staging Area where there are toilet facilities at the trail head.

Bring: Hat, water.

Directions: Take Highway 24 exiting at Orinda, going past Orinda Village on Camino Pablo. Out of Orinda, turn left on Wildcat Canyon Road, going up the hill about 2+ miles to Inspiration Point on the right.

Optional Rideshare: Recommend avoiding carpooling unless all parties are vaccinated. Wearing masks is encouraged.

Optional Lunch: Europa Hofbrau, 62 Moraga Way, in downtown Orinda following the Hike. Go back down Wildcat Canyon Road, turn right on Camino Pablo; at the traffic light past the Highway 24 underpass turn left into downtown.
