

2018 SIR BRANCH 8, NINE HOLE GOLF GROUP ANNUAL TOURNAMENT

The day began rather chilly and slightly overcast but it was the end of October and to be expected. Our golfers turned out in a timely manner but unfortunately a couple were no-shows due to health etc. but the committee had set up "ghost" players of similar abilities as substitutes.

All the foursomes (or threesomes if ghosts were included) went out in a timely manner and the average playing time per group clocked in at a little over 2 hours.

After playing everyone congregated in the dining room at the Greenery to await the calculations of our scorekeepers Dave Perkins and Mike Frey.

After calculating, checking and rechecking the results were as follows:

Longest Drive hole #1: Mike Anderson estimated at 210 yards.

Closest to hole #4, Frank Kilaar: 4' 3" which he converted into a birdie.

Low Gross team: "Ghost Player", Roger Lockwara, Mike Anderson & Rod Spicer, 189 total strokes.

Low Net Team: "Ghost Player", Roger Lockwara, Mike Anderson & Rod Spicer, 175 strokes.

Low Gross player: Ray de Wit, 41.

There were 3 players tied for low net, so no prize was awarded.

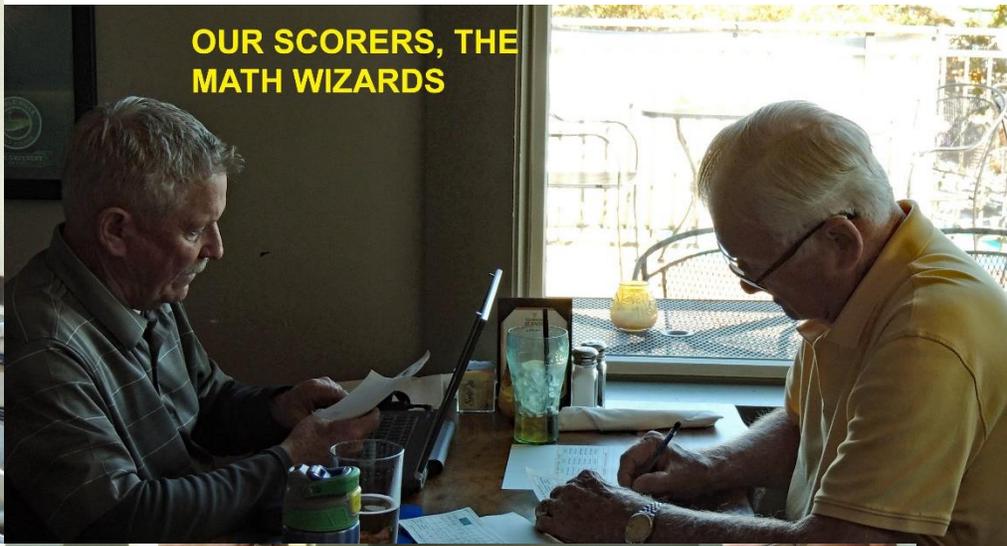

All of the winning team members and low gross won a free round of golf with cart courtesy of DHGC which was appreciated by everyone.

Hopefully we will repeat this tournament again in 2019 and we look forward to everyone being able to play.

In the meantime, here are a few images:
