

Honorary Life Membership (HLM)

The purpose of the HLM is to recognize exceptional and extraordinary service by a member to SIR. It is not to be treated lightly or awarded merely based on good fellowship. This award is bestowed only to those who, upon careful review and scrutiny, are found to have clearly earned it through faithful and outstanding service to the organization for five years or more. HLM status may be awarded by a Branch or by the SIR State organization for service at the state level.

Branch 8 follows a careful process to nominate and vote upon deserving members to be honored with an HLM. Those nominated by the branch are submitted to the State for approval to ensure the HLM status for service is consistent across all Branches of SIR. In addition, a Branch is limited in the number of HLMs that it may have based upon its membership numbers.

Mount Diablo SIR Branch 8 is proud to present its HLMs below. As of 11/5/2024 Branch 8 has 11 HLMs (4 senior HLMs, 2 State HLMs and 5 Branch HLMs). Senior HLM is awarded to an HLM after 10 years of service as an HLM and does not count against a Branch's number of HLM based on total membership. Likewise, a State awarded HLM to a Branch member does not impact the number of HLMs a Branch may have.
